**Subject:** Strand Master POA-Hurricane Irma Update 9

## **The Strand Master Property Owners Association**

---

### **THIS IS AN IMPORTANT ANNOUNCEMENT TO ALL STRAND RESIDENTS - Update 9:**

This is Update 9 for Hurricane Irma and its impact to the Strand Community.

#### **MAJOR UPDATE:**

### **AT ABOUT 7 PM YESTERDAY, ELECTRICAL POWER AND CITY WATER CAME BACK ON AT THE STRAND.**

Now that electrical power and water are back on at the Strand, we still may have "rolling" water outages due to sewage issues. This is because power is not restored to all County lift stations. Currently, water is on at the Strand, but if they do enforce the shutdown, our understanding is it would be from 10 AM to 4 PM on that particular day. This is all a proactive move by the county to avoid sewage from backing up into the streets or our homes.

We also may experience some rolling electrical power outages for short periods of time due to energizing of electrical lines in other areas.

**It has been reported that Comcast internet and TV is back on.** Good News. For those at the Strand, the Collier County web site and a search on the internet (Google) have helpful hints on things you might do during a water outage and steps to take when the water comes back on. For example, you may want to fill your bath tub or other containers with water for emergency use in case water is shut off.

We have no information about the Club. We do understand that the Club personnel are on-site today clearing debris. We also understand that we lost part of the concrete wall along I-75 from the hurricane.

1. Collier County is continuing to issue news alerts. Please visit their web site at

<http://www.colliergov.net/>

From their web site, here are a few excerpts from the news releases:

**100 - Hurricane Irma News Release - Emergency Need for Water Conservation - 9/16/17 -11:45 AM**

"Collier County Public Utilities advises residents countywide of the critical need to reduce water usage. The wastewater collections system is at critical mass. Under no circumstances should residents be using dishwashers, clothes washers, or otherwise putting water into the sewer system. Due to the high volume of water entering the wastewater collection system, the county is experience sanitary sewer overflows across the county. If water usage is not significantly reduced it may be necessary to reduce water pressure or even temporarily shut off the water supply".

**93 - Emergency Need for Water Conservation - Residents Must Limit Use -9/15/17**

"To avoid sanitary sewer overflows, conserve your use of water by limiting toilet flushes, showers, laundry or any other non-necessary usage".

**91 - Collier County Enacts Boil Water/Disinfectant Notice for ALL Collier Water District Customers -9/15/17**

"This precautionary boil water notice will remain in effect until water system repairs and acceptable bacteriological testing has been completed. The testing is scheduled to be completed as water repairs are finished.

As a precaution, we advise that all water used for drinking or cooking be boiled. A rolling boil of one minute is sufficient. As an alternative, bottled water may be used.

Once satisfactory results have been received, you will receive written notification."

2. We have also uploaded additional pictures that you can access at the following link:

[https://1drv.ms/f/s!AkIbmPbxNb-ygfQ724xwEPqi-Siq\\_w](https://1drv.ms/f/s!AkIbmPbxNb-ygfQ724xwEPqi-Siq_w)

As we get more pictures and videos, we will upload them to this site.

3. Visit the Strand Master Web Site that has all past updates and a slide show of images we have received. These updates are found under the "Emergency Information" tab. Our web site is located at the bottom of this update.

As we learn more information, we will update you.

Finally, if you have any additional information about the conditions at the Strand, please email me directly at: [BobP1426@Comcast.net](mailto:BobP1426@Comcast.net) so we can include any pertinent information in the next update tomorrow.

We pray that everyone remains safe.

Thank you,  
For the Board,

Bob Polizzotto, President  
Strand Master Property Owners Association  
September 16, 2017
