117 - Hurricane Irma Recovery - Use Caution When Hiring Contractors to Perform Work

Post Date: 09/19/2017 4:30 PM

Use Caution When Hiring Contractors to Perform Work

Residents are urged to use caution when hiring a contractor to perform work. Residents should make sure they hire a reputable, licensed contractor and are urged to hire the correct type of contractor specific to the type of work that they wish to have performed. Licenses for work are specific. For example, tile roofs require one type of license while shingle roofs require another. Residents are encouraged to contact Collier County Contractor Licensing at (239) 252-2431 or visit our website before hiring a contractor to verify the company's credentials.

Emergency repair work for the purpose of securing a building — such as enclosing doors, windows and roofs — does not require a permit at this time. All other repair work is required to have a permit. Roof repairs may only be performed by a licensed roofing contractor.

Collier County is open for permitting from 8 a.m. to 5 p.m. Monday through Friday at the Naples Permitting Office located at 2800 N. Horseshoe Drive, Naples, Florida 34104 or call (239) 252-2400 and at the Immokalee Permitting Office at 310 Alachua St., Immokalee, Florida 34142 or call (239) 252-5733.

Any companies wishing to perform debris and tree removal services or basic landscape maintenance, are required to have an Occupational License.

Under Florida Statute, unlicensed persons who perform work during a declared State of Emergency are committing a third-degree felony.

Anyone having questions or wanting to report unlicensed activity should contact Collier County Contractor Licensing at (239) 252-2431.

The Collier County Information Hotline remains active. Residents with questions should call the Hotline at (239) 252-8444 (within Collier County residents can dial 311). Please note, the call volume might be heavy, but information can also be found at colliergov.net or on our social media channels, including Facebook (www.facebook.com/CollierGov) and Twitter (@CollierPIO).
