120 - Hurricane Irma News Release - Collier County Public Utilities Lifts Boil / Disinfect Water Notice

Post Date: 09/20/2017 10:55 AM

Collier County Public Utilities Lifts Boil / Disinfect Water Notice for all Collier County Water District Customers

The Collier County Public Utilities Department has lifted the boil / disinfect water notice for all customers of the Collier County Water District including Goodland and the Orange Tree.

A boil / disinfect water notice is still in place for customers of the Everglades City Utilities.

Questions should be directed to the Collier County Water Department at (239) 252-2380.
